The explanation provided by the club should also detail any steps the club has taken to reinforce the Code of Conduct or any other mitigating circumstances that may be relevant to this incident.

The club or individual(s) response must be received by the Operations Manager no later than three (3) business days after being initially contacted by the Operations Manager.

The Operations Manager, in consultation with the Board, will decide, after studying the explanation provided and a club's history, an appropriate penalty for the breach of the Code of Conduct.

The Operations Manager, in consultation with the Board, may offer an early guilty plea for an offence to avoid a hearing at the Tribunal. This penalty can be the minimum set sanction or a variation depending on the mitigating circumstances offered by the club.

If a club wishes to accept the early guilty plea the club secretary must contact the Operations Manager no later than 12.00 pm on the first business day immediately following the receipt of the Operations Manager's decision.

Such requests shall be made in writing, delivered by email, to the Operations Manager.

If the club or individual do not accept the proposed sanction the case must be heard by the Independent Tribunal.

Clubs found ignoring any code of conduct breaches of their own members will be dealt with directly by the Central Rivers Board and/or Independent Tribunal as it sees fit.

16.4 Early Guilty Plea & Set Penalty

Where a reported player declines to take the set penalty described in the AFL Victoria Country Handbook or NCFPH, contests the report at the Tribunal and is found guilty, the prescribed set penalty will no longer apply.

Where a club or person has the opportunity to take the early guilty plea and contests the charge at the Tribunal, and is subsequently found guilty, the maximum sanction for that level of the breach of the Code of Conduct will be automatically imposed, as well as any other fines or sanctions imposed by the Tribunal.
