- a) The strength, stamina and physique of competitors is relevant; or
- b) The exclusion is intended to facilitate participation by girls and is reasonable.

3. Netball Victoria Membership

Central Murray
There are eight (8) grades in the Central Murray – A Grade, A Reserve, B Grade, B Reserve, 17 & Under, 15 & Under, 13 & Under, 13 & Under Reserve.
The 13 & Under Reserve competition is an unofficial skill development competition with no points or votes awarded and no ladders. For games to be counted towards finals eligibility for higher grades, scoresheets are required to be completed for these competitions. If scoresheets are not completed, the games in 13 & Under Reserve will not be counted towards finals eligibility. <i>There is NO busting between 13 & Under and 13 & Under Reserve.</i>
Each Club is to field a minimum of six (6) teams; that is three (3) senior teams and three (3) junior teams.

Players in underage competitions are to be these ages as at the 31 st December in the current year of the competition.
In the event of a Club being unable to field all senior teams during the playing season, a top-down filling of teams is to be followed; e.g. A Grade must be filled before A Reserve; A Reserve must be filled before B Grade, B Grade must be filled before B Reserve. This top-down approach must also be followed when on the day forfeits occurs. Clubs requesting an exemption to this ruling must do so to the League Manager.
If a club can show that they are unable to field one or more teams due to insufficient registered players, that club can apply for a special exemption from the Central Rivers Board. The Central Rivers Board will then review the submission and decide in the best interests of the Club and the competition.
If a Saturday gazetted time or venue is to be altered, it must be done by mutual agreement. The Leagues Manager must be notified in writing by the instigating Club three (3) days prior to the alteration taking place, with the opposition club CC'd into the email and all updated timings.
Minimum eligible age to play in any of the competitions is 10 years of age which is determined as at 31 st December of that year of competition.
Players are not recommended to play more than two (2) games on any given match day – this is a recommendation from Netball Australia

6. Uniforms

- b) If a team has a player take the court at the commencement of play, who is not listed on the team sheet, the opposition team must make note of this and advise the League, so the League can review.
 - o If the player has been found to register after the game, they will be treated as unregistered.

24. Mercy Rule

13 & Under & 13 & Under Reserve

The Central Murray are committed to encouraging more junior players to maintain their interest in netball and increase their longevity in the sport. The Mercy rule is to promote competitive matches and avoid overly merciless score lines. Junior netball must focus on sportsmanship, enjoyment and fun, and promote participation.

- Coaches who know they are scheduled to play a weaker opposition should endeavour to implement strategies to prevent the Mercy rule being implemented by:
 - o Giving more game time to players who have had less court time;
 - o Rotating players through unfamiliar positions;
- Where score lines are not reduced by implementing the above strategies, the Mercy Rule must be enacted and adhered to by both clubs.
 - o When the score differential in Home & Away matches equals 35 points in 13 & Under Reserve or 50 points in 13 & Under matches, the scorers will notify the umpires and play is stopped.
 - o The scores at this point, with a 35 and 50 differential respectively, will be submitted to the league as the FINAL SCORE.
 - o The game and scoring continues on the scoreboard however no further scores can be added to the official score sheet.
- When the Mercy Rule is enacted, *there will be a timeout of three minutes for coaches to organise their respective teams*, the match shall continue for the remainder of the allocated time of play. However, if the rule is applied within three (3) minutes of the break, the game will resume after the break. *(The score at the time of the Mercy Rule being enacted, as well as, goal shooters will be the only official results entered)*
- When the Mercy Rule is enacted, Coaches must consult and share players using spare bibs or, alternatively, work out other suitable strategies which make the game more equal.
 - o The scoreboard (A Frame) differential must reflect this equalization. *(The scoreboard keeps running and the differential must reduce in the subsequent time allowed. If the score differential does not reduce further strategies must be employed. The game will be stopped (for the three minutes) to implement these strategies).*
- Some of these will be:
 - o Sharing the better players to even up the teams;
 - o The losing team will receive all centre passes until the scores are even;
 - o Rotating players through unfamiliar positions.
- When the mercy rule is enacted, both coaches MUST then do their best to adhere to the Mercy Rule in a sportsmanlike manner to ensure an even contest. If this is not done, at the discretion of the Central Rivers Board;
 - o The premiership points may be forfeited; and/or
 - o The club fined; and/or
 - o The coaches brought before the Independent Tribunal and charged with a breach of the Code of Conduct.
- The Mercy Rule does not apply in finals.
