In the case of visiting officials or players, an official of the offending person's club should do the initial approach. In the case of an umpire or players being abused by a spectator(s), the umpire shall notify the interchange steward at the next quarter break. If the offence continues after the break then a Notice of Report shall be completed.
- b. **Step 2:** If the behaviour continues the Ground Manager/Home club official should warn the offending person(s) they will be asked to leave the ground and their club may be fined.
- c. **Step 3:** Local police called and the offending person(s) is escorted from the ground.
- d. The Ground Manager, club or leagues official or umpire must note the details on their report and where possible the name(s) of the offending person(s) to the Ground Manager on the Notice of Report Form. A photo of the offending people should be taken.
- e. Where it is not clear what club the offender(s) is supporting the person(s) shall be reported to the home club.

- h. In the event the person(s) refuses to obey the direction of the Ground Manager and/or Team Manager, the Ground Manager may direct the umpire to terminate the match and shall endorse this decision in writing on the *Notice of Report Form*. In the event that the match is so terminated, the Board at its absolute discretion may award the competition points to the non-offending team, or declare that neither side shall be awarded competition points or percentage for that match.
- i. If the club is unable to establish that it took reasonable precautions to prevent the individual/group from engaging in the prohibited conduct the club may be vicariously liable for failing to uphold the Code of Conduct.

### **16.2 Codes of Conduct Notice of Report Form**

Breaches of the Codes of Conduct must be notified to clubs on the "Notice of Report" form and either included in the Match Day envelope or received by the Operations Manager by 5pm on the first business day after the match. ### **16.3 Procedures for dealing with a Codes of Conduct Notice of Report**

- b. The club or individual(s) response must be received by the Operations Manager no later than 3 business days after being initially contacted by the Operations Manager.
- c. The Operations Manager, in consultation with the Board, will decide, after studying the explanation provided and a club's history, an appropriate penalty for the breach of the Code of Conduct.
- d. The Operations Manager, in consultation with the Board, may offer an early guilty plea for an offence to avoid a hearing at the Tribunal. This penalty can be the minimum set sanction or a

variation depending on the mitigating circumstances offered by the club.

- e. If a club wishes to accept the early guilty plea the club secretary must contact the Operations Manager no later than 5.00 pm on the first business day immediately following the receipt of the Operations Manager's decision. Such requests shall be made in writing, delivered by post or email, to the Operations Manager.

- f. The Code of Conduct penalties shall hold for a three year rolling period. That is, if a club breaches the Code of Conduct this year and there is one other previous offence four years ago this becomes the first offence.

#### 16.6 Sanction Imposed by a Club

- c. Third offence, the club is to raise a Notice of Report Form and the incident/member will be investigated. If a Notice of Report form is submitted, the League Operations Manager in consultation with the Board, will decide on the appropriate penalty. This may involve offering an early guilty plea or sitting in front of a Tribunal.
- d. Any player knowing they are ineligible to play, and who does not notify the captain of his own team shall be liable to disqualification or otherwise as the Board or Tribunal may think fit.
