### 6. COMPETITIONS

Competitions in both leagues are similar however there are some small differences:

Central Murray	Golden Rivers
The eight (8) grades – A Grade, A Reserve, B Grade, B Reserve, 17 & Under, 15 & Under, 13 & Under, 13 & Under Reserve.	The GR will play A, B, B Reserve, C Grade, 17 & Under, 14 & Under and 12 & Under.

The 12 & Under (GRFNL) & 13 & Under Reserve competitions are an unofficial skill development competition. Scoresheets are NOT required to be completed for this competition. No premiership points or votes will be given in this competition.	
Each Club is to field a minimum of six (6) teams; that is three (3) senior teams and three (3) junior teams.	Each club is expected to field 5 grades; A, B, B Reserve, 17 & Under, 14 & Under
Players in underage competitions are to be these ages as at the 31 <sup>st</sup> December in the current year of the competition.	
In the event of a Club being unable to field all senior teams during the playing season, a top down filling of teams is to be followed; e.g. Central Murray: A Grade must be filled before A Reserve; A Reserve must be filled before B Grade, B Grade must be filled before B Reserve. OR Golden Rivers: A Grade must be filled before B Grade, B Grade must be filled before B Reserve. Clubs requesting an exemption to this ruling must do so to the League Manager.	
If a club can show that they are unable to field one or more teams due to insufficient registered players, that club can apply for a special exemption from the Central Rivers Board. The Central Rivers Board will then review the submission and decide in the best interests of the Club and the competition.	
If a Saturday gazetted time or venue is to be altered, it must be done by mutual agreement. The Leagues Manager must be notified in writing by the instigating Club three (3) days prior to the alteration taking place.	
Minimum eligible age to play in any of the competitions is 10 years of age which is determined as at 31 <sup>st</sup> December of that year.

## 25. MERCY RULE – 13 & UNDER, 13 & UNDER RESERVE GRADES

The Central Murray FNL is committed to encouraging more junior players to maintain their interest in netball and increase their longevity in the sport. The Mercy rule is to promote competitive matches and avoid overly merciless score lines. Junior netball must focus on sportsmanship, enjoyment and fun, and promote participation.

- a. Coaches who know they are scheduled to play a weaker opposition should endeavour to implement strategies to prevent the Mercy rule being implemented by:
  - i. Giving more game time to players who have had less court time;
  - ii. Rotating players through unfamiliar positions;
- b. Where score lines are not reduced by implementing the above strategies, the Mercy Rule must be enacted and adhered to by both clubs.
  - i. When the score differential in Home & Away matches equals 35 points in 13 & Under Reserve matches or 50 points in 13 & Under matches, the scorers will notify the umpires and play is stopped.
  - ii. The scores at this point, with a 35 and 50 differential respectively, will be submitted to the league as the **FINAL SCORE**. The game and scoring continues on the scoreboard however no further scores can be added to the official score sheet.
  - iii. When the Mercy Rule is enacted, *there will be a timeout of three minutes for coaches to organise their respective teams*, the match shall continue for the remainder of the allocated time of play. However, if the rule is applied within three (3) minutes of the break, the game will resume after the break. *(The score at the time of the Mercy Rule being enacted, as well as, goal shooters will be the only official results entered)*

- c. When the Mercy Rule is invoked, Coaches must consult and share players using spare bibs or, alternatively, work out other suitable strategies which make the game more equal. **The scoreboard (A Frame) differential must reflect this equalization.** *(The scoreboard keeps running and the differential must reduce in the subsequent time allowed. If the score differential does not reduce further strategies must be employed. The game will be stopped (for the three minutes) to implement these strategies).* Some of these will be:
  - i. Sharing the better players to even up the teams;
  - ii. The losing team will receive all centre passes until the scores are even;
  - iii. Rotating players through unfamiliar positions.
- d. When the mercy rule is invoked, both coaches **MUST** then do their best to adhere to the Mercy Rule in a sportsmanlike manner to ensure an even contest. If this is not done, at the discretion of the Central Rivers Board;
  - i. The premiership points may be forfeited; and/or
  - ii. The club fined; and/or
  - iii. The coaches brought before the Independent Tribunal and charged with a breach of the Code of Conduct.
- e. The Mercy Rule does not apply in finals.
