

# LES PAY MEMORIAL LEAGUE IDENTITY AWARD

Les Pay, 1980 # - it would be impossible to draw up to the club history and not mention Les Pay, Secretary for 23 years, a player 200 games who started off going to football to run the boundary and get a game when the team was short. Les held the position of President of the Social Club when it was formed in 1957 to 1959. He was chief organiser of the planning and construction of the present club rooms. A league Delegate for quite some time, Les was awarded the "Recognition of Service Medallion" from the VCFL in 1985 for services to football.
